Mr. W.J. Jackson Pres.

Gulf Coast Development Co

Chicago Ill.

My Dear Mr. Jackson:-

Yours to Phil B. West Asst. Sec. has just been handed to me and carefully read. We plan to make out this report Thursday and I prefer that you or Mr. Seniff come here for that meeting, then you can look over the holdings as well as the reports and advise better the future actions of the Company.

As we have to have a vice president and sec here and Phil and I are familiar with the business in every detail I will suggest that Phil be given the general management and I be the figerhead to sign neccessary papers or vice Pres.

I do not think that Mr Look would want barther with this no pay job, and I could be of as much service to the Co Vice President as Mgr. and still be carrying out Mr. Wests wishes As to his grand son. who I think is better qualifie than any one we could get.

Chas and I will be glad to have you and Mrs Jackson as our guæst during your stay here. I wish to thank you for your message of sympathy recieved the darkest day of my life, kind words help but He alone can heal. I have so much to be thankful for that I dare not whine.

Hopeing to see you soon, I am
